```
        Bm              G                       A
Verse 1 For every flame of love grown dim
        Bm              G                   A
        And every passion that has died
        Bm              G                   A
        For every prayer of faith that ceased
        Bm              G               A
        Ignite us once again inside
        F#m             G  F#m                  G
        For every vision and godly ambition
        Am          G                   D
        Holy Spirit breathe new life

              Bm      A
Chorus  Send revi  -  val
              G       D/F#
        Send revi  -  val
              Em                    Asus
        Send revival, Sovereign Lord
                 G      A
        How we need You,
                  Bm          A
        Spirit, plead with You
                   Cmaj7
        Come revive our hearts once more

Verse 2 For every eye that needs to see
        For every heart that now must know
        For every city, land and place
        To which the gospel now must go
        And for your mission in this generation
        Holy Spirit breathe new life

              A       D/A       A
Bridge  Come restore our first love
               A       G  D
        Come renew our hearts
                A    D/A      A
        In your time as you choose
        F#m7            G                   C  G/B  Asus
        We pray for revival
